

Bruce Hardie

I have been a member of the PCC for the past two years. I have taken on the role of Housing Champion (for All Souls Church Ministry staff) and have just joined the HR & Remuneration Committee.

I have been serving on the 11:30 coffee team for many years. I am also on the prayer rota for the 11.30am service and help serve communion.

I am grateful to have had the opportunity to use my professional skills and experience to support the All Souls ministry team and staff. I would welcome the opportunity to continue to serve at All Souls in this manner. Building on our rich heritage, I wish to see All Souls flourish and use its resources wisely in these uncertain times.

Gabriel Burcea-Ting

I desire to see more godly and biblical input in the matters of the church and its governance.

I've been serving at Free English Classes, because I am interested in evangelism.

I met and married my wife, Laura, at All Souls, and our two lovely daughters have both been baptised at the 9.30!

I lead the tech team, volunteer as All Souls Technology Director and serve on the Deanery Synod.

I would bring expertise in technology and business.

I met my husband in a house group in Cricklewood led by the late, great Jill Bond, and we were married at All Souls 26 years and 364 days before the date of the Church Council meeting!

I lead a fellowship group with my husband Mark which meets at our house; I'm also a leader at Flourish. I care passionately about teaching the Bible in small groups and encouraging others to do likewise.

I have over 40 years of committed membership of the Church of England and a strong desire to work for biblical church unity.

What I love most about being part of All Souls is being part of a family with so many different kinds of people from so many different parts of the world. My Fellowship Group is 'probably the best Fellowship Group in the world' and I do not know what I would do without their prayer, support and fellowship!

I would bring my experience as an All Souls PCC Member over a number of years and my trusteeships on two other Christian charities. My professional experience in the energy and industrial sectors, working on large complex projects, also gives me a wide understanding of issues and management or large organisations.

I am a member of the PCC and am honorary treasurer of the Church. My desire is to use to His glory the gifts God has given me and to serve Him and others as best I can.

I have sat on the Church Council for 13 years and served as treasurer for all of that time. I retired two years ago from a career where I had experience at Board level, managing a wide range of functions including finance, human resources, facilities management, information technology and risk management.

I am married with three adult children who all started All Souls in the creche and now attend at 11.30 when they are in London.

I would bring a fresh and diverse perspective as someone who is young, female, and not originally from the UK. I'm really passionate about cross-cultural collaboration within the body of Christ and believe this is essential when making decisions that serve a diverse church family.

I joined All Souls in 2021, since then I've joined the students ministry for a year and then Free English. I love talking to people and learning about different cultures. I'm very passionate about social justice.

I love to practically bless and love people from the community, as well as learn from them too. I've been extremely enriched from learning about some of my students' at Free English, stories and, on some occasions, having the opportunity to share the gospel with them.

Nathan Raj

I've grown up in All Souls since birth and really came to believe at a youth weekend away.

I am a Root leader on table 1 where I am helping lead the group through Romans.

I also serve at Scramblers helping kids start to know who they can trust for the rest of their life.

I've been at the church for many years and I am committed to supporting a restoration of orthodox faith across the Church of England. I hope to bring that desire to both the PCC and Deanery Synod.

I am a steward, as I like to be able to welcome and guide people into the church. I preach and teach at the Clubhouse to help people to come to know Christ and be built up in Him. This is the same reason why I enjoy leading and co-hosting a fellowship group. I serve as a Trustee for All Souls Serve the City, as I believe as a church we need to look outwards to our neighbours that maybe less fortunate than ourselves. I am a member of the PCC and Deanery so as to be aware of the needs and running of the church.

I hope to be able to continue to bring my experience of involvement in the church, to the church council.

I first joined All Souls soon after University. I've since been married to my lovely wife for 8 years. I've appreciated how the church is large enough to be able to make it possible to run a variety of groups and activities; but it also has the foresight to have small life groups to belong to and support.

I joined All Souls in 2020 initially online at the start of the pandemic. I got to know members of the church family through CE, Springboard and then subsequently Roots.

I co-lead a Fellowship Group and I am also a member of the All Souls Worship Team. I very much value the opportunity to serve a small group at church and to encourage and support others as we study the Word. I have also enjoyed serving in worship teams as a contribution to supporting the life of the church.

I am interested in charity and corporate governance, which has come through experience in my working life looking after a trustee board and also being a non-executive director on the board of another organisation. I also have experience of communications and have prior experience of oversight of the finance, people, governance and other operational functions in an organisation. I hope to bring the insights and learning to the church council.

I currently serve in Roots as a Table Leader and in Free English as part of the hospitality team. I serve because I think it is good to help build a community at church so that people feel welcome and also to reach out and support those who might need help, extending God's grace and kindness to others like he first did for us.

I would bring a fresh perspective on matters of governance and be able to relate to the concerns and worries of the younger members of the congregation and bring them to the church council.

Sally Isaac

I am married to Emmanuel; we have an 11 year old son Ethan and I have been attending All Souls since arriving from Australia in 2005. I currently work part time in the NHS. I have been involved with many different small group ministries over the years.

I do not have special skills, however I will bring prayer, wisdom of age/ life experience and trust in the truth of Gods word.

I have been a Women's Bible Study Leader - reading and discussing the Bible and caring for the other 12 ladies in my group, to encourage, support in prayer and help them to grow in the knowledge of God and Jesus.

Ysanne (Izzy) Rickards

As a former staff member at All Souls, having had time out serving at other churches, being married to a C of E vicar and being a headteacher, I believe I have the governance and leadership skills necessary for this challenging, yet rewarding, role. Having served for 2 years on the PCC, I have gained knowledge of the workings of the Church of England, and the crucial role of governance, which has many similarities to the Governing Body at a school. I have been connected to All Souls since 1989, which gives me some historical knowledge that may be helpful in this role. I am personable, confident speaking in public and keen to listen to others.

I am eternally grateful to those people who served at the church where I attended as a teenager, and who taught me about Jesus which led to me committing my life to Him. As Christians we are called to follow the example of Jesus, the one who came to serve. I see service as using the gifts God has given me in order that others might become followers of Jesus, or deepen their love of Him. God shapes me and transforms me as I serve in the church where he has led me back to after a time serving a local church.
